Verification of Information Provided by Applicants and Tenants of Assisted Housing

What Verification Involves

To receive housing assistance, applicants and tenants who are at least 18 years of age and each family head, spouse, or co-head regardless of age must provide the owner or management agent (O/A) or public housing agency (PHA) with certain information specified by the U.S. Department of Housing and Urban Development (HUD).

To make sure that the assistance is used properly, Federal laws require that the information you provide be verified. This information is verified in two ways:

1. HUD, O/As, and PHAs may verify the information you provide by checking with the records kept by certain public agencies (e.g., Social Security Administration (SSA), State agency that keeps wage and unemployment compensation claim information, and the Department of Health and Human Services' (HHS) National Directory of New Hires (NDNH) database that stores wage, new hires, and unemployment compensation). HUD (only) may verify information covered in your tax returns from the U.S. Internal Revenue Service (IRS). You give your consent to the release of this information by signing form HUD-9887. Only HUD, O/As, and PHAs can receive information authorized by this form.
2. The O/A must verify the information that is used to determine your eligibility and the amount of rent you pay. You give your consent to the release of this information by signing the form HUD-9887, the form HUD-9887-A, and the individual verification and consent forms that apply to you. Federal laws limit the kinds of information the O/A can receive about you. The amount of income you receive helps to determine the amount of rent you will pay. The O/A will verify all of the sources of income that you report. There are certain allowances that reduce the income used in determining tenant rents.

Example: Mrs. Anderson is 62 years old. Her age qualifies her for a medical allowance. Her annual income will be adjusted because of this allowance. Because Mrs. Anderson's medical expenses will help determine the amount of rent she pays, the O/A is required to verify any medical expenses that she reports.

Example: Mr. Harris does not qualify for the medical allowance because he is not at least 62 years of age and he is not handicapped or disabled. Because he is not eligible for the medical allowance, the amount of his medical expenses does not change the amount of rent he pays. Therefore, the O/A cannot ask Mr. Harris anything about his medical expenses and cannot verify with a third party about any medical expenses he has.

Customer Protections

Information received by HUD is protected by the Federal Privacy Act. Information received by the O/A or the PHA is subject to State privacy laws. Employees of HUD, the O/A, and the PHA are subject to penalties for using these consent forms improperly. You do not have to sign the form HUD-9887, the form HUD-9887-A, or the individual verification consent forms when they are given to you at your certification or recertification interview. You may take them home with you to read or to discuss with a third party of your choice. The O/A will give you another date when you can return to sign these forms.

If you cannot read and/or sign a consent form due to a disability, the O/A shall make a reasonable accommodation in accordance with Section 504 of the Rehabilitation Act of 1973. Such accommodations may include: home visits when the applicant's or tenant's disability prevents him/her from coming to the office to complete the forms; the applicant or tenant authorizing another person to sign on his/her behalf; and for persons with visual impairments, accommodations may include providing the forms in large script or braille or providing readers.

If an adult member of your household, due to extenuating circumstances, is unable to sign the form HUD-9887 or the individual verification forms on time the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

The O/A must tell you, or a third party which you choose, of the findings made as a result of the O/A verifications authorized by you consent. The O/A must give you the opportunity to contest such findings in accordance with HUD Handbook 4350.3 Rev. 1. However, for information received under the form HUD-9887 or form HUD-9887-A, HUD, the O/A, or the PHA, may inform you of these findings.

O/As must keep tenant files in a location that ensures confidentiality. Any employee of the O/A who fails to keep tenant information confidential is subject to the enforcement provisions of the State Privacy Act and is subject to enforcement actions by HUD. Also, any applicant or tenant affected by negligent disclosure or improper use of information may bring civil action for damages, and seek other relief, as may be appropriate, against the employee.

HUD-9887/A requires the O/A to give each household a copy of the Fact Sheet, and forms HUD-9887, HUD-9887-A along with appropriate individual consent forms. The package you will receive will include the following documents:

1. **HUD-9887/A Fact Sheet:** Describes the requirement to verify information provided by individuals who apply for housing assistance. This fact sheet also describes consumer protections under the verification process.
2. **Form HUD-9887:** Allows the release of information between government agencies.
3. **Form HUD-9887-A:** Describes the requirement of third party verification along with consumer protections.
4. **Individual verification consents:** Used to verify the relevant information provided by applicants/tenants to determine their eligibility and level of benefits.

Consequences for Not Signing the Consent Forms

If you fail to sign the form HUD-9887, the form HUD-9887-A, or the individual verification forms, this may result in your assistance being denied (for applicants) or your assistance being terminated (for tenants). See further explanation on the forms HUD-9887 and 9887-A.

If you are an applicant and are denied assistance for this reason, the O/A must notify you of the reason for your rejection and give you an opportunity to appeal the decision.

If you are a tenant and your assistance is terminated for this reason, the O/A must follow the procedures set out in the Lease. This includes the opportunity for you to meet with the O/A.

Authority: Section 217 of the Consolidated Appropriations Act of 2004 (Pub L. 108-199). This law is found at 42 U.S.C.653(J). This law authorizes HHS to disclose to the Department of Housing and Urban Development (HUD) information in the NDNH portion of the "Location and Collection System of Records" for the purposes of verifying employment and income of individuals participating in specified programs and, after removal of personal identifiers, to conduct analyses of the employment and income reporting of these individuals. Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992 and section 3003 of the Omnibus Budget Reconciliation Act of 1993. This law is found at 42 U.S.C. 3544. This law requires you to sign a consent form authorizing: (1) HUD and the PHA to request wage and unemployment compensation claim information from the state agency responsible for keeping that information; and (2) HUD, O/A, and the PHA responsible for determining eligibility to verify salary and wage information pertinent to the applicant's or participant's eligibility or level of benefits; (3) HUD to request certain tax return information from the U.S. Social Security Administration (SSA) and the U.S. Internal Revenue Service (IRS).

Purpose: In signing this consent form, you are authorizing HUD, the above-named O/A, and the PHA to request income information from the government agencies listed on the form. HUD, the O/A, and the PHA need this information to verify your household's income to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct level. HUD, the O/A, and the PHA may participate in computer matching programs with these sources to verify your eligibility and level of benefits. This form also authorizes HUD, the O/A, and the PHA to seek wage, new hire (W-4), and unemployment claim information from current or former employers to verify information obtained through computer matching.

Uses of Information to be Obtained: HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. The O/A and the PHA is also required to protect the income

information it obtains in accordance with any applicable State privacy law. After receiving the information covered by this notice of consent, HUD, the O/A, and the PHA may inform you that your eligibility for, or level of, assistance is uncertain and needs to be verified and nothing else.

HUD, O/A, and PHA employees may be subject to penalties for unauthorized disclosures or improper uses of the income information that is obtained based on the consent form.

Who Must Sign the Consent Form: Each member of your household who is at least 18 years of age and each family head, spouse or co-head, regardless of age, must sign the consent form at the initial certification and at each recertification. Additional signatures must be obtained from new adult members when they join the household or when members of the household become 18 years of age.

Persons who apply for or receive assistance under the following programs are required to sign this consent form:

Rental Assistance Program (RAP)

Rent Supplement

Section 236

HOPE 2 Homeownership of Multifamily Units

Failure to Sign Consent Form: Your failure to sign the consent form may result in the denial of assistance or termination of assisted housing benefits. If an applicant is denied assistance for this reason, the owner must follow the notification procedures in Handbook 4350.3 Rev. 1. If a tenant is denied assistance for this reason, the owner or managing agent must follow the procedures set out in the lease.

Authority for Requiring Applicant's/Tenant's Consent to the Release of Information

Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992. This law is found at 42 U.S.C. 3544.

In part, this law requires you to sign a consent form authorizing the Owner to request current or previous employers to verify salary and wage information pertinent to your eligibility or level of benefits.

In addition, HUD regulations (24 CFR 5.659, Family Information and Verification) require as a condition of receiving housing assistance that you must sign a HUD-approved release and consent authorizing any depository or private source of income to furnish such information that is necessary in determining your eligibility or level of benefits. This includes information that you have provided which will affect the amount of rent you pay. The information includes income and assets, such as salary, welfare benefits, and interest earned on savings accounts. They also include certain adjustments to your income, such as the allowances for dependents and for households whose heads or spouses are elderly handicapped, or disabled; and allowances for child care expenses, medical expenses, and handicap assistance expenses.

Purpose of Requiring Consent to the Release of Information

In signing this consent form, you are authorizing the Owner of the housing project to which you are applying for assistance to request information from a third party about you. HUD requires the housing owner to verify all of the information you provide that affects your eligibility and level of benefits to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct levels. Upon the request of the HUD office or the PHA (as Contract Administrator), the housing Owner may provide HUD or the PHA with the information you have submitted and the information the Owner receives under this consent.

Uses of Information to be Obtained

The individual listed on the verification form may request and receive the information requested by the verification, subject to the limitations of this form. HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. The Owner and the PHA are also required to protect the income information they obtain in accordance with any applicable state privacy law. Should the Owner receive information from a third party that is inconsistent with the information you have provided, the Owner is required to notify you in writing identifying the information believed to be incorrect. If this should occur, you will have the opportunity to meet with the Owner to discuss any discrepancies.

Who Must Sign the Consent Form

Each member of your household who is at least 18 years of age, and each family head, spouse or co-head, regardless of age must sign the relevant consent forms at the initial certification, at each recertification and at each interim certification, if applicable. In addition, when new adult members join the household and when members of the household become 18 years of age they must also sign the relevant consent forms.

Persons who apply for or receive assistance under the following programs must sign the relevant consent forms:

Rental Assistance Program (RAP)
Rent Supplement
Section 8 Housing Assistance Payments Programs (administered by the Office of Housing)
Section 202
Sections 202 and 811 PRAC
Section 202/162 PAC
Section 221(d)(3) Below Market Interest Rate
Section 236
HOPE 2 Home Ownership of Multifamily Units

Failure to Sign the Consent Form

Failure to sign any required consent form may result in the denial of assistance or termination of assisted housing benefits. If an applicant is denied assistance for this reason, the O/A must follow the notification procedures in Handbook 4350.3 Rev. 1. If a tenant is denied assistance for this reason, the O/A must follow the procedures set out in the lease.

Conditions

No action can be taken to terminate, deny, suspend or reduce the assistance your household receives based on information obtained about you under this consent until the O/A has independently 1) verified the information you have provided with respect to your eligibility and level of benefits and 2) with respect to income (including both earned and unearned income), the O/A has verified whether you actually have (or had) access to such income for your own use, and verified the period or periods when, or with respect to which you actually received such income, wages, or benefits.

A photocopy of the signed consent may be used to request the information authorized by your signature on the individual consent forms. This would occur if the O/A does not have another individual verification consent with an original signature and the O/A is required to send out another request for verification (for example, the third party fails to respond). If this happens, the O/A may attach a photocopy of this consent to a photocopy of the individual verification form that you sign. To avoid the use of photocopies, the O/A and the individual may agree to sign more than one consent for each type of verification that is needed. The O/A shall inform you, or a third party which you designate, of the findings made on the basis of information verified under this consent and shall give you an opportunity to contest such findings in accordance with Handbook 4350.3 Rev. 1.

The O/A must provide you with information obtained under this consent in accordance with State privacy laws.

If a member of the household who is required to sign the consent forms is unable to sign the required forms on time, due to extenuating circum-

stances, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

Individual consents to the release of information expire 15 months after they are signed. The O/A may use these individual consent forms during the 120 days preceding the certification period. The O/A may also use these forms during the certification period, but only in cases where the O/A receives information indicating that the information you have provided may be incorrect. Other uses are prohibited.

The O/A may not make inquiries into information that is older than 12 months unless he/she has received inconsistent information and has reason to believe that the information that you have supplied is incorrect. If this occurs, the O/A may obtain information within the last 5 years when you have received assistance.

I have read and understand this information on the purposes and uses of information that is verified and consent to the release of information for these purposes and uses.

Public reporting burden for this collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This information is required to obtain benefits and voluntary. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This information is authorized by the U.S. Housing Act of 1937 as amended, the Housing and Urban Rural Recovery Act of 1983 and Housing and Community Development Technical Amendments of 1984. This information is needed to be in compliance with OMB-mandated changes to Ethnicity and Race categories for recording the 50059 Data Requirements to HUD. Owners/agents must offer the opportunity to the head and co-head of each household to "self certify" during the application interview or lease signing. In-place tenants must complete the format as part of their next interim or annual re-certification. This process will allow the owner/agent to collect the needed information on all members of the household. Completed documents should be stapled together for each household and placed in the household's file. Parents or guardians are to complete the self-certification for children under the age of 18. Once system development funds are provided and the appropriate system upgrades have been implemented, owners/agents will be required to report the race and ethnicity data electronically to the TRACS (Tenant Rental Assistance Certification System). This information is considered non-sensitive and does not require any special protection.

FACT SHEET

For HUD ASSISTED RESIDENTS

Project-Based Section 8

“HOW YOUR RENT IS DETERMINED”

Office of Housing

September 2010

This Fact Sheet is a general guide to inform the Owner/Management Agents (OA) and HUD-assisted residents of the responsibilities and rights regarding income disclosure and verification.

Why Determining Income and Rent Correctly is Important

Department of Housing and Urban Development studies show that many resident families pay incorrect rent. The main causes of this problem are:

- Under-reporting of income by resident families, and
- OAs not granting exclusions and deductions to which resident families are entitled.

OAs and residents all have a responsibility in ensuring that the correct rent is paid.

OAs' Responsibilities:

- Obtain accurate income information
- Verify resident income
- Ensure residents receive the exclusions and deductions to which they are entitled
- Accurately calculate Tenant Rent
- Provide tenants a copy of lease agreement and income and rent determinations Recalculate rent when changes in family composition are reported
- Recalculate rent when resident income decreases
- Recalculate rent when resident income increases by \$200 or more per month
- Recalculate rent every 90 days when resident claims minimum rent hardship exemption
- Provide information on OA policies upon request
- Notify residents of any changes in requirements or practices for reporting income or determining rent

Residents' Responsibilities:

- Provide accurate family composition information
- Report all income
- Keep copies of papers, forms, and receipts which document income and expenses
- Report changes in family composition and income occurring between annual recertifications
- Sign consent forms for income verification
- Follow lease requirements and house rules

Income Determinations

A family's anticipated gross income determines not only eligibility for assistance, but also determines the rent a family will pay and the subsidy required. The anticipated income, subject to exclusions and deductions the family will receive during the next twelve (12) months, is used to determine the family's rent.

What is Annual Income?

Gross Income – Income Exclusions = Annual Income

What is Adjusted Income?

Annual Income – Deductions = Adjusted Income

Determining Tenant Rent

Project-Based Section 8 Rent Formula:

The rent a family will pay is the highest of the following amounts:

- 30% of the family's monthly *adjusted* income
- 10% of the family's monthly income
- Welfare rent or welfare payment from agency to assist family in paying housing costs.

OR

- \$25.00 Minimum Rent

Income and Assets

HUD assisted residents are required to report all income from all sources to the Owner or Agent (OA).

Exclusions to income and deductions are part of the tenant rent process.

When determining the amount of income from assets to be included in annual income, the actual income derived from the assets is included except when the cash value of all of the assets is in excess of \$5,000, then the amount included in annual income is the higher of 2% of the total assets or the actual income derived from the assets.

- Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except for lump-sum additions to

- Periodic and determinable allowances, such as alimony and child support payments and regular contributions or gifts received from organizations or from persons not residing in the dwelling

- For Section 8 programs only, any financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965, shall be considered income to that individual, except that financial assistance is not considered annual income for persons over the age of 23 with dependent children or if a student is living with his or her parents who are receiving section 8 assistance. For the purpose of this paragraph, "financial assistance" does not include loan proceeds for the purpose of determining income.
